

# SPRING

**BASIC** - Brown, Olive Green, Red, Camel

Men: Use these colours for trousers, jackets, business suits, leather accessories (such as belts, shoes, etc.).

Women: Use these colours for skirts/pants, jackets, leather accessories (such as belts, shoes).

*Note: While Black, Dark Blue and Charcoal Grey are not part of your natural colour season, they are basic colours for suits and jackets. Match it with a top and/or accessory of your natural colour season.*

**LIGHT** - Off White, Peachy Pink, Yellow, Apple Green

Use these for your business shirts/blouses to match your business suit.

**INTENSE** - Burgundy, Fushia, Purple, Blue, Green, Turquoise, Burnt Orange

Brighter colours that grab attention. These add interest to basic-coloured outfits.

Men: Use these for your ties, pocket squares, etc. when dressing for business. Use these for your polo shirts, casual shirts, dress-down days, etc.

Women: Use these for your scarves, accessories, etc. when dressing for business. Use these for your weekend wear, dress-down days, etc.

You can use the Basic, Light and Intense colours for your eyeshadow, blusher and lipstick too.
